Every care is taken to avoid any cross contamination from allergens during preparation. We do, however, work in a kitchen that processes allergenic ingredients and we do not have a specific allergen free zone or dedicated fryers. We are not a nut free establishment and nuts form part of our menus and are offered freely throughout the restaurant and bars. If you have any specific allergies or concerns, please let us know and we'll do our best to help. VAT is included at the current rate. A discretionary 12.5% service charge will be added to your bill.

We are very grateful for any feedback.
