TWENTY-FIVE MILLILITRES

SIR FRANK'S BAR

A rare and historic collection of 350 artworks by Victorian botanical artist, Marianne North adorn these walls.

Defying Victorian conventions, North travelled the world solo for two years painting countless varieties of local flora.

In a departure from traditional botanic illustrations, North used oil paints to enrich vibrancy and enhance the habitats in which different plants grow.

Sir Frank Lowe, Beaverbrook's Creative Director, curated the unique interiors of this elegant bar. Today Sir Frank's Bar stands proudly as the signature bar on The Estate.

Our cocktails are inspired both by Lord Beaverbrook's House Guests and the seasonal changes of our Estate.

Traditional and contemporary techniques are used alongside high quality ingredients to recreate the authentic taste of the bygone era...
