There is something mythical about the name Petrus; a wine that every wine lover should taste at least once in their life. With that said, it is our pleasure to serve Petrus at nearly cost price comparison with Maison Petrus, one of very few opportunities only seen at The Connaught, The Dorchester, 5 Hertford Street and Oswald's.

Petrus is one of the most rare and expensive wines in the world, grown on the edge of Pomerol and Saint-Emilion on just 11.4 hectares, producing an extraordinarily rich, powerful, and concentrated wine. Please enjoy this line up of top vintages delivered straight from the cellar of Maison Petrus.

Our only drawback is each bottle must be destroyed on site after enjoyment to help ensure the estate's integrity with reducing counterfeits slipping into the market.
