Every care is taken to avoid any cross contamination from allergens during preparation. We do however work in a kitchen that processes allergenic ingredients and we do not have a specific allergen free zone or dedicated fryers. We are not a nut free establishment and nuts form part of our menus and are offered freely throughout the restaurant and bars. If you have any specific allergies or concerns, please let us know and we'll do our best to help. VAT is included at current rate. A discretionary 13.5% service charge will be added to your bill. We are very grateful for any feedback.

Beaverbrook is focused on using sustainable, line-caught, high quality fish and the use of the traditional Japanese technique of ‘*Ike-jime*’. The method is a humane practice in respect of the fish, and emerged in Japan several centuries ago. It avoids stress for the animal, and ensures exquisite flavour and texture of sashimi. It also allows the fish to develop extreme umami dimensions when properly aged.
