

# SIR FRANK'S BAR

*A rare and historic collection of 350 artworks by Victorian botanical artist Marianne North adorn these walls.*

*Defying Victorian conventions, North travelled the world solo for two years painting countless varieties of local flora.*

*In a departure from traditional botanic illustrations, North used oil paints to enrich the vibrancy and enhance the habitats in which different plants grow.*

*Sir Frank Lowe, Beaverbrook's Creative Director, curated the unique interiors of this elegant bar; today Sir Frank's Bar stands proudly as the signature bar on The Estate.*

*Our cocktails are inspired both by Lord Beaverbrook's House Guests and the seasonal changes of our Estate.*

*Please do not hesitate to speak to any of our team at Sir Frank's if you would like a specific spirit from our menu to create something truly personal.*

*Traditional and contemporary techniques are used alongside high quality ingredients to recreate the authentic taste of the bygone era...*
