Every care is taken to avoid any cross-contamination from allergens during preparation.

We do however work in an environment that processes allergenic ingredients and we do not have a specific allergen free zone or dedicated fryers.

We are not a nut free establishment; nuts form part of our menus and are offered freely throughout the restaurant and bar.

If you have any specific allergies or concerns, please let us know and we'll do our best to help.

SIR FRANK'S BAR

Named after Beaverbrook's creative director, Sir Frank Lowe, discover glossy lacquered walls, burnt-umber and berry-bright stained glass marrying raspberry pink seating and leather-lined booths. Tables are decorated with a patchwork of Japanese matchbox covers augmented with an extensive 19th-Century Japanese woodblock print art collection which results in a remarkable atmosphere.

Let the expert team crack open a bottle of bubbly or pair your favourite gin with a tonic of your choice. Take your pick from an extensive cocktail list, which features Beaverbrook specials alongside London-edition libations, or venture off-piste and ask the bar team to mix up something new.
