

BOWOOD

Corporate Events

WELCOME TO BOWOOD

Bowood House, one of England's finest Georgian Houses, is surrounded by immaculate Grade I listed 'Capability' Brown parkland, providing a stunning background to any event.

Set in acres of beautiful parkland, Bowood House & Gardens offers the perfect location for your corporate event.

We can create small tailor-made corporate family events or offer a larger event space in front of Bowood House for larger corporate events, whether that is a team building day or a corporate family event inside the House & Gardens grounds.

LOCATION & VENUE

Situated in the Southwest of England, on the edge of the North Wessex Downs, Bowood House & Gardens is just 1 hr 30 minutes drive from London, and 45 minutes from Bath and Bristol.

Bowood House & Gardens opens seasonally from
1st April – 1st November.

You can either chose to host your business colleagues and/or family within the Gardeners' Bothy (close to the Walled Garden) or hire the event space on the front lawn.

BOWOOD HOUSE & GARDENS

Bowood House & Gardens, owned by the Lansdowne family, is set within 100 acres of beautifully landscaped 'Capability' Brown parkland. The Georgian House is surrounded by the Italianate Terrace Garden, Walled Garden, and herbaceous borders.

The Arboretum and Lake offer stunning vistas out into the grounds as you wander. We have exhibits on display inside Bowood House, for any history fans, along with a renowned Adventure Playground for children under 12, with a life-size pirate ship, aerial walkways and jumping pillows.

THE GARDENERS' BOTHY*

This delightful building, once the sleeping quarters of Estate gardening staff, is situated inside the House & Gardens just yards from the Adventure Playground.

It offers an exclusive area with indoor space and private facilities, respite from the weather and can be decorated to suit the client requirements. The outside space allows for al fresco entertaining and/or small fun activities for your business.

**The term "bothy" comes from the Gaelic word bothan, which means "hut".*

EVENT SPACE

Create a memorable occasion with the backdrop of one of the most beautiful stately homes in Wiltshire. Here at Bowood we have acres of beautiful parkland available to host your event.

Bowood offers an Event Space with a capacity of 10,000 people and plenty of event parking for you to host your event activities.

Whether you are working with an agency to run your event or need supplier recommendations to set up and manage your family fun day or corporate team building, we can help.

HOSPITALITY & ENTERTAINMENT

We work with a host of local suppliers to provide catering and entertainment for your event.

The Gardeners' Bothy works well with street food style pop up traders from wood fired pizzas to BBQs, barista coffee or a licensed bar. For summer days you can even have your own traditional ice-cream van.

We can book team building activities, from fun traditional fair-ground games to interactive team building, falconry displays or face painting.
