Facilities

The healing power of water flowing through our spa cleanses your external self and renews your inner being.

Budock Vean Natural Health Spa Indoor Swimming Pool

Outdoor Hot Tub

The doors from the swimming pool open out onto a decking platform which houses the hot tub with views over the gardens and golf course. These are available free of charge for hotel and self-catering guests, and for day visitors to hire at a cost of £10.00 per court per hour.

Golf Course

Our challenging 9 hole/18 tee golf course is set in mature parkland with the first tee a few paces from the hotel's golf bag room. Golf is inclusive for guests staying at the Budock Vean Hotel. Day visitors are welcome.

GAIA Journeys

The GAIA Journeys have been developed to offer three new experiences to help guests find grounding and balance, relax and find calm, or energise and awaken their mind and body. The three journeys complement the three essential oil blends by GAIA Skincare, which the guest can choose between during the sensory test at the start of their experience: Awakening, Balancing or Calming.

GAIA Awakening Journey

60 minutes | 90 minutes

An energising experience, helping to renew and radiate positivity for the mind and body. The Awakening Journey helps revitalise the skin with a salt and oil exfoliation, either on the back, neck, and shoulders (60 minutes) or full body scrub (90 minutes) removing dead skin cells to reveal refreshed soft skin. The Awakening Journey continues with a bespoke massage, tailored to suit your needs, to help awaken the body and boost circulation, leaving you feeling refreshed and uplifted.

GAIA Balancing Journey

60 minutes | 90 minutes

Find grounding and harmony with the Balancing Journey, a treatment designed to alleviate stress and bring equilibrium to the mind and body. The journey centers around a hot stone massage, using warm volcanic stones to soothe aches and pains, relieving muscle tension. The Balancing Journey continues with a nurturing Jade facial, known as the healing stone, the Jade crystal wands help to relieve tension in the muscles, encourage blood flow, and help eliminate fine lines. With a choice of 60-minute and 90-minute journeys, you'll leave feeling restored and emotionally balanced.

GAIA Calming Journey

60 minutes | 90 minutes

A truly tranquil experience, the Calming Journey has been developed to offer complete relaxation and peace within. Your journey will begin with a serene back, neck, and shoulder massage to ease muscle tension and calm the mind and body. This is followed by either a scalp massage (60 minutes) or an Indian head massage (90 minutes) which includes a facial cleanse, tone, and a beautifully relaxing facial massage, focusing on pressure points to relieve tension. Both journeys include a hand and arm massage, helping to release stress and find total relaxation.

GAIA Rituals

GAIA rituals are designed to identify three levels of an individual's wellbeing, recognising the holistic benefits of treatments across mental, physical and spiritual domains.

Rituals connect to history and tradition, designed to be meaningful bringing a person to a state of well being. This is more than the absence of illness, the state of being mentally, physically and socially well. Wellness is about awareness and relationships, about reaching into your heart, being the best you can be.

All GAIA rituals start with a welcome foot ritual and consultation followed by aftercare advice and a Gaia tea.

GAIA Crystal Therapy

120 minutes

The ultimate goal of crystal healing is to bring the whole body back to a state of pure unconditional love. This treatment is personalised using crystals to discover which chakras are blocked and includes meditation, full body massage and a nurturing scalp massage. Aftercare, product advice and a crystal prescription will be recommended by your therapist.

GAIA Total Holistic Ritual

120 minutes

A deeply therapeutic ritual to release tension and stress bringing the mind and body into harmonious balance. Using advanced Balinese and Lomi Lomi techniques, the body is exfoliated followed by an application of our nourishing GAIA mud. Once showered, a GAIA blend of your choice is poured warmly onto the body for a muscle easing massage.

GAIA Raindrop Therapy

60 minutes | 120 minutes

Raindrop therapy is a healing technique using pure essential oils. It combines aromatherapy oils and moist heat to bring total balance, harmony and body wellness mentally, physically and emotionally. Techniques are used through the massage to release toxins and lymph, boosting the immune system and bringing the body back to natural alignment. Ritual includes full body massage using the purest essential oils used as droplets to the back, spine and feet and a nurturing scalp massage.
