Refuel and Recharge

At Budock Vean Hotel & Spa, we believe that good food and time to recharge play an important part in productive days.

Flavours to inspire

Enjoy lunches that make business dining a pleasure at Budock Vean Hotel & Spa. Our selection of thoughtfully curated menus feature fresh, local ingredients and tailored options to suit every style of celebration.

Prioritise wellbeing at the spa

Our Natural Health Spa offers teams a chance to rest and recharge with time for quiet reflection after a busy day. Spend time in the 15m indoor swimming pool, relax in the outdoor hot tub, and unwind in the Finnish sauna. You'll get preferential rates when used after an event.

Play a few rounds of golf

When the meetings are finished, why not spend some time outdoors on our golf course, as you'll get preferential rates when used after an event.

Our 9-hole, 18-tee parkland golf course winds through mature woodland, providing a scenic challenge at any level. Playable all-year round, our course was designed by five-time Open winner James Braid and is a top-rated 9-hole golf course in Cornwall.

A few friendly rounds of golf can be a great way for the team to connect. Some light competition or cross-departmental partnerships can encourage new conversations and teamwork.

Where We Are

Our country house hotel is set in 65 acres of glorious sub-tropical gardens, woodlands and golf course just about a 15 minute drive from the harbour town of Falmouth.

By Rail

Take the mainline service to Truro station, where you need to change trains and go to Platform 1 and catch the branch line service to either Penryn or Penmere.

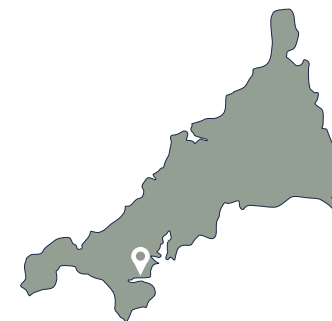

By Car

It takes around five hours to get from London to the heart of Cornwall where Budock Vean Hotel & Spa is located. Drive along the M4 motorway from London, or M6 from Manchester, and then the M5 to Exeter and finally either the A30, that is mostly dual carriageway, or the A38 through Plymouth and Saltash.

From Truro take the A39 to Falmouth. On the A39 about 4 miles before Falmouth you will pick up the brown tourist information road signs for Glendurgan and Trebah gardens. Follow these signs through Mawnan Smith and continue past Trebah and after a further ½ mile and a sharp right-hand bend you will find the entrance to Budock Vean Hotel & Spa.

By Air

You can land a helicopter on the golf course at Budock Vean Hotel & Spa with advance notice as there is a risk assessment and flight plan to complete.
