Seasonal Treatments

Winter Wellness Remedies for Mind, Body and Soul

The cooler winter months mean darker nights, central heating and other seasonal stresses which can take their toll on our sleep, skin, and wellbeing. Our therapists have selected the best treatments to support your overall wellbeing to help alleviate these seasonal effects and leave you feeling nurtured, balanced and with glowing skin. As well as introducing our newest treatment from Aromatherapy Associates perfectly named "Pause and Reset" thoughtfully designed to provide extra support to those facing hormonal imbalances due to menopause, PMT or other hormonal factors.

Pause & Reset Massage

Are you struggling with the ups and downs of hormonal imbalances? Do you feel tired, moody, or anxious? Suffering from hot flushes or brain fog? If so, you're not alone. Millions of women experience hormonal imbalances at some point in their lives. Pre-menstrual syndrome, peri-menopause, menopause and everything in between. Our transformative spa treatment is designed to help you balance your hormones and improve your physical and emotional well-being. This is an enhanced traditional aromatherapy treatment that involves, body brushing, upper body massage, restorative abdomen massage and a hand and foot reflex treatment targeting the endocrine and reproductive system (upgrade to our 85-minute version to include an Aromatherapy Associates experiential facial for added bliss).

Technology:
CACI

CACI Face Technology

CACI (Computer Aided Cosmetology Instrument) facial is your answer to cosmetic surgery results—without the surgery. Using the power of electric waveforms, this is a sure-fire way to tighten and tone the muscles while smoothing away fine lines and wrinkles. Combining the powers of micro-current, LED light therapy, galvanic, Ultrasonic and microdermabrasion there is a facial to suit any skin type and concern.

Anti-Ageing...

CACI Microcurrent Non-Surgical Facial

CACI's signature Non-Surgical Facial is an advanced non-invasive facial, with twenty years of medical research behind it. Microcurrent impulses will lift and tone the facial muscles, whilst improving skin elasticity and reducing the appearance of fine lines and wrinkles.

This gives a more youthful, fresh appearance and glow. *

55 mins **£105.00**

CACI Ultimate Facial

The Ultimate Skin Rejuvenation treatment uses controlled orbital microdermabrasion to exfoliate and deeply cleanse the skin, leaving a brighter, smoother complexion. Microcurrent impulses will visibly lift and tone the facial muscles for your non-surgical face lift. CACI's unique Wrinkle Comb will then target fine lines and wrinkles providing a non-invasive alternative to collagen injections with LED light therapy to heal and trigger tissue repair. This facial is completed with the CACI Hydro Mask that intensively hydrates and nourishes the skin. *

85 mins **£155.00**

CACI Super Ultra Facial

This facial combines our signature Non-Surgical facial toning with the skin rejuvenation benefits of our Ultra technology. Ultrasonic peeling revitalizes and deep cleans the skin with a gentle exfoliation. Microcurrent impulses will then lift and tone the face and neck, followed by CACI's unique Wrinkle Comb to target fine lines and wrinkles. *

85 mins **£155.00**

**Micro-current results are visible after a single treatment however long-lasting results of CACI are cumulative, so a course of 10 or more treatments are advised. Your CACI therapist will happily prescribe a course to suit your individual needs and maximize your results*

Jessica Manicure

There is no substitute for the beauty of carefully cultivated, natural nails. Gorgeous colour starts with the right foundation. Nails have their own biology, just like hair and skin. For the best care and the most beautiful outcome, nails require a studied approach that is similar to how a facialist cares for the skin.

Prescriptive Manicure

Because the anatomy of your nails need to be cared for just like your skin and hair, a prescriptive Jessica manicure is tailored to you. A nail analysis determines how we treat individual nails with products containing nurturing botanicals, anti-oxidants, vitamins and proteins. This Manicure includes a hand and arm exfoliation, nail shape, cuticle care, therapeutic massage and finished off with an application of polish. A mini bottle of your chosen Jessica colour is given to you complimentary at the end of your treatment.

Spa General Information

Attire

Clients on spa days (both men and women) will feel most comfortable going into treatments with their robe over their swimwear. Disposable pants and boxer shorts are provided for treatments, if needed and we respectfully request that underwear is worn for all other treatments. During treatments our therapists are trained to observe client modesty at all times. Swimwear is also requested in the steam room and sauna. Suitable footwear (trainers, gym shoes, etc.) are required for tennis, cycling and when using the gym or attending fitness classes.

Arrivals

Please arrive promptly to your appointment time to allow you to experience your full treatment but we kindly ask that you do not arrive too early as we are limiting the number of guests in our treatment waiting area. For this reason we ask you to come alone for your treatment.

Health Concerns

Some treatments are not suitable for certain medical conditions or during pregnancy. To avoid disappointment, please raise any concerns at the time of booking. We also ask clients to fill out a medical questionnaire on arrival at the spa, to ensure that treatments are appropriate. If you are undergoing treatment, have been affected by or are recovering from cancer please make us aware at the point of booking. We have specialised Therapists in place who can offer a suitable and effective treatment either during your treatment or as part of your recovery.

We ask you to postpone your treatment if you are feeling unwell as we are unable to honour treatments to those who have symptoms including a fever, cough or sore throat.

Pregnancy

Many of our treatments are suitable during pregnancy, but do ask for information when booking.

Mobile Phones

Please ensure that mobile phones are switched off during your visit to the spa.

Valuables

We strongly recommend that you leave your valuables in your locker. Some treatments require the removal of jewellery. Please ensure you retrieve all valuables before leaving the premises and in particular check the pockets of your robe as we cannot be held responsible for any losses.

Opening Hours

Club, gym, pool 7am - 9pm
Steam and sauna 7am - 9pm
Treatments 9am - 8pm

Children (under 14) are allowed in the pool during following times: Monday - Sunday afternoons: 3.45pm - 5.15pm and in addition Saturday and Sunday mornings: 8.45am - 10.15am. Please note: outside of these times children are not permitted in Calcot Spa but are welcome at our Ofsted registered crèche.

Booking Policy

Spa packages and treatments must be fully prepaid at time of booking.

Cancellation Policy

Spa packages require seven days' notice to cancel or re-schedule for a full refund. Treatment appointments have a 24 hour cancellation policy. For any cancellations without the required notice, we will actively try to re-sell the appointment(s). Where this is successfully achieved a full refund will be issued, but where this is not possible the treatments or package will remain at 100% charge.

Prices and treatments are subject to change without prior notice.
