Allergenic ingredients. If you have an allergy or intolerance we can adjust some dishes on the menu. To make sure this is handled properly it is best to speak to one of our managers, who will be pleased to run through our recipes. We cook from scratch in the kitchen, which makes most adjustments straightforward. However, we do need to point out that since many of the dishes prepared in our kitchen contain dairy, nuts, flours and other allergenic ingredients, unfortunately we cannot guarantee that any of our food is completely allergen free. If you have an allergy or intolerance, please let us know.
