TICKETS IN ADVANCE ONLY
£50.00

Celebrating life, friendship, and adventure! Join us to create wonderful lasting memories!

This night promises to be a fabulous way to say bon voyage and help us make our final preparations before we row 3,000 miles across the Atlantic Ocean.

Midas Touch prosecco will be served on your arrival and an evening of fantastic live entertainment will commence.

We have an amazing magician and compere, an auction with some incredible prizes, and our very own marine electrician, Keith Willsher, will be DJing a little later on for some dancing. Tickets will be available to pick up on the night at the CAPTAINS CLUB.

TICKETS: Please scan QR code for tickets. Use your FULL NAME as REF for the event and email hello@ebbflowatlantic.com with your details. See you there!
