Midas

Midas

Born in Bournemouth and produced in Friuli-Venezia Giulia, Italy, Midas combines generations of tradition with cutting edge technology to create the finest quality liquid.

Our story began in the Summer of 2018 when we realised that even frequent prosecco enthusiasts struggled to recall a single brand of prosecco. This discovery led us to embark on a journey to create a memorable brand that people can trust.

We've worked tirelessly to produce the finest quality prosecco, leaving no stone unturned in our search for the perfect liquid.

Making memories with the ones you love is the heart of the Midas tale, now it's your time to continue the story...
