Secluded Luxury

With its low-rise, distinctively Cypriot architecture, the award-winning, all-suite Columbia Beach Resort possesses an idyllic charm. Lovingly restored roof tiles, graceful arches, and shutters on the windows reflect the influences of a traditional Cypriot village. Located in the secluded Bay of Pissouri on the southern coast of Cyprus, this five-star hotel features elegant suites luxuriously appointed with fabrics and furnishings that reflect the colours of the landscape and the dramatic cliffs that frame the Mediterranean Sea. Using local stone, wooden features, and creative planting, Columbia Beach Resort sits harmoniously in its surroundings: a clever mix of old and new.

Columbia Beach Resort

Immerse Yourself

Take a dive into our two swimming pools, immersing yourselves in pure luxury. To the west of the resort lies an 80m-long pool, which is connected with the heated indoor pool nestled in the heart of Hébe Spa, inviting guests to relish exercise, even in winter. Water falls softly from the other end of this lagoon-style pool into a shallow children's pool, surrounded by a pretty terrace area, which is perfect for families. Indeed, a second outdoor swimming pool is situated to the east of the Resort. Poised directly above Pissouri Bay, and with its own swim-up pool bar along with plenty of space to soak up the sun, families will feel at home in their own little haven, delighting in being able to engage in a few fun games.

Columbia Beach Resort

Nature's Paradise

*W*alk in the grounds of the Columbia Beach Resort and enjoy lush gardens and paved paths shaded by bougainvillea, jasmine, and olive trees. The heavenly herbs and fruits of the fragrant citrus trees are also used in the Resort's kitchens. And the stunning view across the bay to the cliffs of Cape Aspro never fails to take your breath away.

Anchor Your Soul

The setting of the Columbia Beach Resort – nestled on a spectacular two kilometre-long Blue Flag beach, and surrounded by dense vegetation in the valleys behind the bay – is especially magical.

Native flora, the white cliffs of Cape Aspro to the east of the bay, local vineyards, and lushly growing orchards create a secluded haven, at the heart of which lies Columbia Beach Resort.

In the Lap of Luxury

*M*ake yourself comfortable in some of the most luxurious and stylish accommodation in Cyprus and enjoy the views from the balcony of your suite. Whichever view you decide upon, the Resort's spacious suites offer a sleeping and living area with comfortable sofa, chairs, and elegant table. The lavish bathroom will tempt you with its indulgently large bath – some with separate shower cubicle – twin washbasins, bidet, and large mirrors. Once you're feeling blissfully relaxed, the large, comfortable bed promises the most beautiful of dreams.

Suites to Suit You

As individual as you, each of the 169 exclusive suites not only offers outstanding comfort and excellent furnishings, but also lovely terraces with relaxing views across the gardens, either of the impressive pools, or out to sea. Here, there's luxury for everyone. Choose a Junior Suite and get a generous 43 square metres to make your own. A spacious Executive Suite sleeps up to four persons, whilst our selection of one- or two-bedroom Family Suites is on hand for extra comfort. Of course, you could always select one of our elegant Eagle's Nest Suites complete with your own private plunge pool, promising absolute luxury!

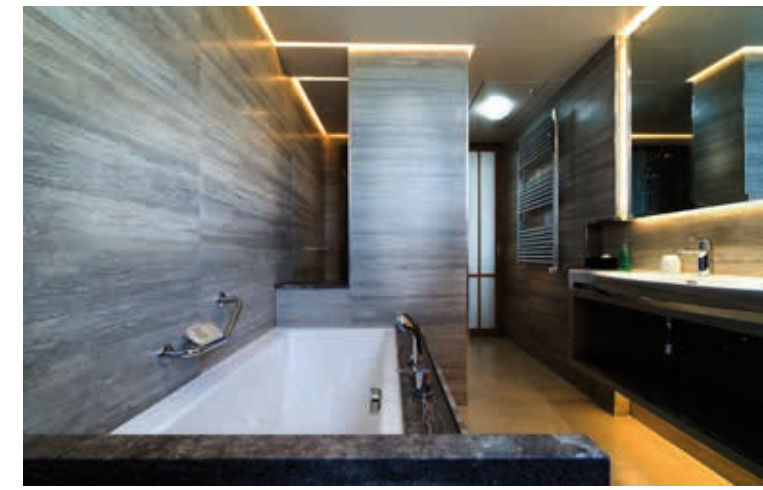

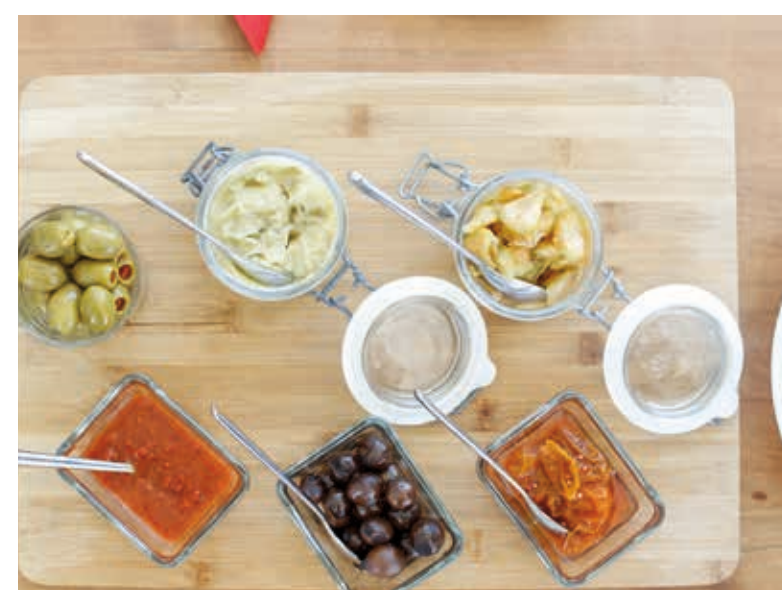

Natural Indulgence

The suites are all elegantly furnished, boasting meticulous attention to detail. Hand-woven fabrics and stylish wooden furniture have been chosen in colours to reflect the landscape and Mediterranean Sea. Cool stone floors, ceiling fans, and air conditioning keep the rooms fresh in summer, with fluffy bathrobes and slippers promising cosiness and comfort all year round. Stylish, generous marble bathrooms embellished with exclusive skin care and bath accessories complete this luxurious picture.

Bacchus Restaurant - Gourmet Haven

Eating well is a key element of any stay at the Columbia Beach Resort. Our celebrated team of chefs uses the wealth of ingredients that grow abundantly in the Cyprus sunshine and source the best from around the world to produce heavenly cuisine. For a glamorous gourmet dinner, Bacchus Italian Gourmet Restaurant offers the best in Italian inspired dining on the island.

Bacchus is also the site at which guests are invited to enjoy their daily sumptuous breakfast, bursting with both sweet and savoury delights. Breakfast may also be savoured to the east of the Resort at Atrium Restaurant.

Apollo Tavern Restaurant

*F*lavours of Cyprus come to life in the Resort's Apollo Tavern. Fresh fish is always available, as is the beloved Cyprus *meze*: a tempting array of small dishes of vegetables, meat, and fish based on famous local recipes. Take lunch or dinner here and, in the warmest months, sit out on the terrace and let the waves of the Mediterranean provide the soundtrack and backdrop to your meal. At night a musical duo provides gentle songs and tunes that serve to enhance the warm and rustic charm of the Resort's own Cypriot *taverna*.

The Joys of Island Living

Come lunch and dinner when your stomach is desiring of something a little more substantial, take a seat on Cape Aspro Restaurant's expansive terrace, and peruse the rich menu, replete with gourmet options. Named for the white cliffs (*aspro* meaning 'white' in Greek) that embrace Pissouri Bay, Cape Aspro makes for the ultimate in *al fresco* dining, expressive of the joys of island living.

Also situated to the east of the resort is Atrium Restaurant, which – further to serving breakfast – transforms into a dedicated dinner haven. Whether enjoying our à la carte selection or gourmet buffets, the backdrop of refined musical entertainment and attentive service will ensure an inimitable dining experience.

Excellence Bar None

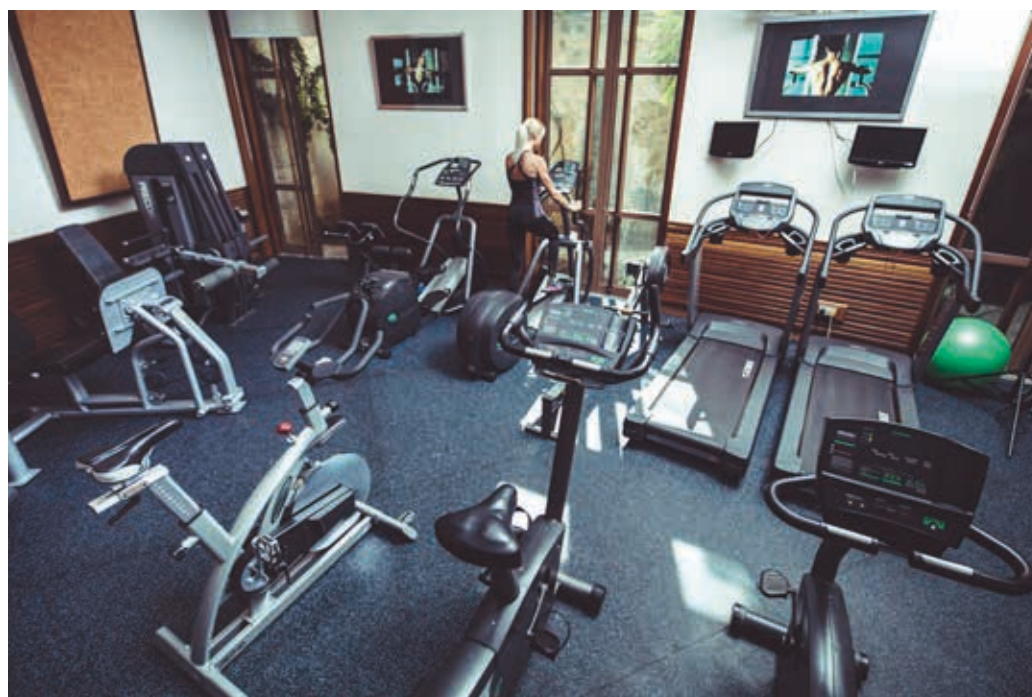

A variety of bars of different feel and ambiance embellish the Resort across both East and West Wings. The nautical heritage of the Columbia Beach Resort is evident in both the Eros Bar to the west, and Seven Cs Bar to the east. Calm and composed spaces, the views out to the Mediterranean Sea from the terraces of each respective bar are simply breathtaking. Whether savouring a morning espresso, a pre-dinner cocktail or cool beer, a seat at Eros Bar and Seven Cs Bar is highly coveted by all from dawn until dusk.

Meanwhile, try the Ouzeri adjacent to the Apollo Tavern for somewhere more intimate for drinks and coffee during the day or in the evening. Oenophiles will marvel at the impressive new wine cellar, and all will relish the warm welcome, which feels typical of Cypriot village life.

You don't need to leave either of our pools to get a drink. Just swim up to the Poseidon or Cape Aspro Pool Bar and request your favourite tipple. Lunch and snacks are available here too on the dry side of the bars! And for those who prefer lounging in the lush gardens or laying under the umbrellas on the beach for the day, the Poseidon Beach Bar serves coffee, soft drinks, ice creams, and snacks too

Spa Couture

*M*ake time for physical and spiritual renewal in the Resort's award-winning Hébe Spa. Avail yourselves of the luxury range of Elemis products available at our Spa Bar, the innovative Elemis BIOTEC skincare system, and our very own signature treatments, using the best of natural, local ingredients. With six treatment rooms (including a dedicated room for couples), a sauna, steam bath, and Jacuzzi, the intimate surroundings and our professional staff will support total relaxation and rejuvenation.

Sport

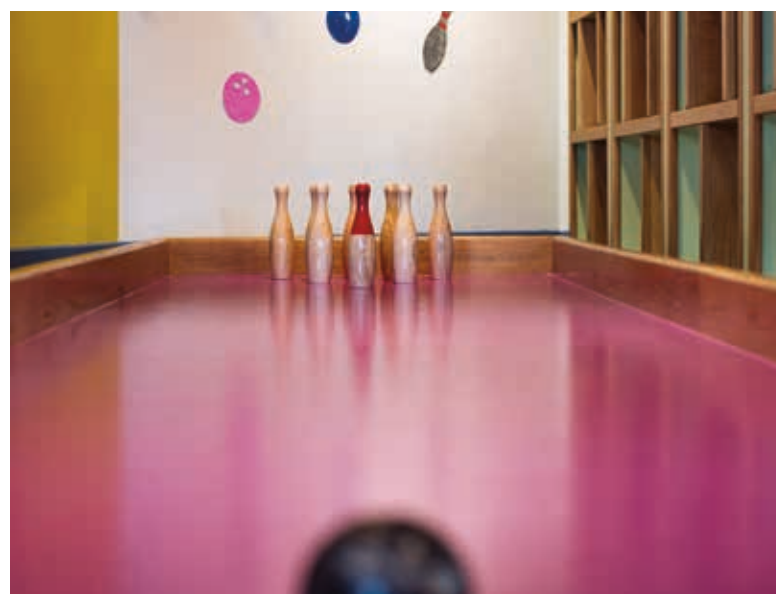

If you want an active break, there are tennis and squash courts on site, a well-equipped, modern Health and Fitness Centre situated in the Resort's Hébe Spa, and regular exercise and yoga classes to try, delivered in our dedicated aerobics room, complete with mirrors and sprung wood flooring. On site you will also find our professional Cycling Centre for bike rentals or cycling tours run by two-time former Swiss cycling champion, Thomas Wegmueller. Our swimming pools offer the perfect blend of relaxation and exercise, with Pissouri Bay, meanwhile, offering an array of watersports, from adrenalin-fuelled kite surfing to laid-back pedaloes, and there are also four championship golf courses nearby.

Kids Fun

Our revamped children's club, The Den Kids Club, along with our brand new dedicated crèche for infants – Cub Life Crèche – are both brought to you in collaboration with Worldwide Kids Co. LTD, an international entity with over 30 years of experience in providing childcare in the hospitality industry. Columbia Beach Resort's childcare facilities are a safe haven for babies and children aged 4 months to 12 years. Here, children will feel inspired to learn about their surroundings and local flora and fauna. Babies and children will discover new skills, produce souvenirs from arts and crafts endeavours, and create lasting friendships.

All Saints Chapel

Located in the Columbia Beach Resort's grounds is the All Saints Chapel. Designed to resemble early Christian buildings in Cyprus, its dramatic interior was painted in vibrant colours by the celebrated English artist John Corbidge. Weddings are particularly beautiful in this setting overlooking the sea. And a christening becomes a magical event in this special place. Meanwhile, with a capacity for 250 participants and state-of-the-art audio-visual equipment, corporate events can be comfortably hosted in our Oval Ballroom, with smaller meetings of 20 delegates being conveniently brought to fruition in the Adonis Conference Room.
