COLUMBIA BEACH RESORT PISSOURI

Welcome to Columbia Beach Resort

Approaching the half-way point between Limassol and Paphos on Cyprus' southern coast, you spy the sign for Pissouri and dutifully exit the highway. Soaring above the lush, rolling hills, a stillness settles upon the mind, whilst the heart is stirred by the senses. Tantalising fruit hang temptingly from the local orchards, blue skies beckon, and flora and fauna flourish wildly by: wonderment incarnate. At the heart of this haven lies Columbia Beach Resort: a world unto itself awaiting your arrival. Paying humble homage to the traditions and culture of the locale, the five-star, all-suite resort is expressive of an understated luxury balanced on sincerity of service and quality of experience. The Blue Flag-certified, 2km-long Pissouri Bay (upon which the resort is poised) is framed by the white cliffs of Cape Aspro: picture perfect; your holiday heaven.

Tradition Meets Innovation

Respectfully shaped into the natural contours of the hills, Columbia Beach Resort commands some 75,000m² of land. A walk through the resort is an enlivening exploration of opposites. Low-rise, chalet-style suites modelled on the traditional architecture of Cyprus frame the lavish and modern 80-metre, lagoon pool with swim-up bar. The exterior of the stone built All Saints Chapel is understated and unassuming; within, its frescoes are a kaleidoscope of bright colours. State-of-the-art public spaces, with interactive information screens, are accented with rustic wooden beams, elegant arches, and soothing colours reflective of the Mediterranean.

Fragrant gardens of Cypriot herbs line the pathways that lead to expansive lawns adorned with luxurious sun loungers for indulgent rest and relaxation. And, whilst guests' comfort is prioritised without exception, every care has been taken to mitigate the resort's impact on its surroundings, with the implementation of modern facilities and processes to ensure the longevity and prosperity of our environment. Indeed, Columbia Beach Resort was just one of 26 hotels worldwide to have been invited into Small Luxury Hotels of the World's pioneering 'Considerate Collection' of properties. In this way, Columbia Beach Resort's exploration of opposites succeeds in metamorphosing a mere holiday into a journey of discovery and dreams come true.

COLUMBIA BEACH RESORT PISSOURI

Nature's Paradise

The natural wonderland embracing Columbia Beach Resort will play a starring role in your holiday experience, capturing your affections and enlivening your senses. Long after you have departed, vivid flashbacks of vibrant bougainvillea framing the paved pathways will flood your memory; wafts of sweet jasmine, tangy citrus fruits and earthy olives will be conjured for a moment when you're on your way to work; the view of scintillating sea and glistening grass will stir unexpectedly in your mind's eye; the fragrant flavour of freshly grown herbs from our herb gardens, used in our restaurants, will tantalise your tastebuds unsuspectingly, and the sound of the migrating swallows' song signalling the advent of spring will dance in your ears, calling you back to the shores of Pissouri Bay.

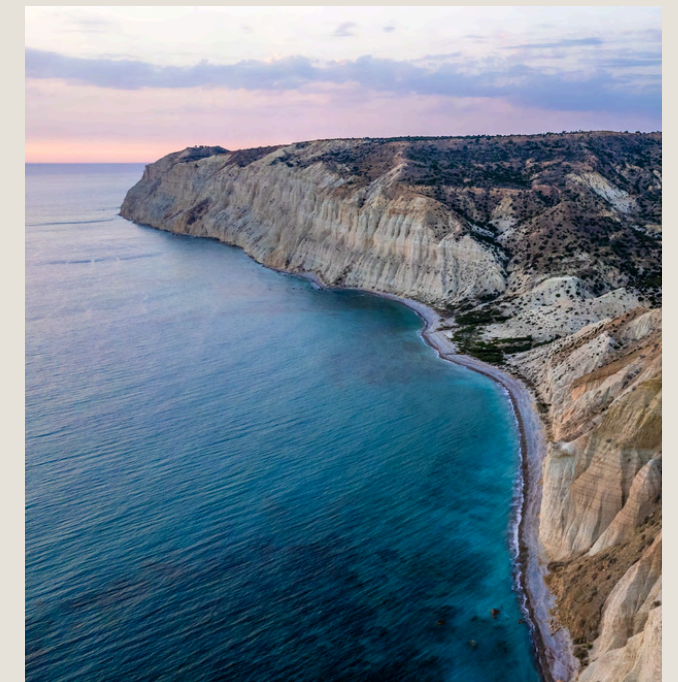

Shades of Blue

Pastel sapphire skies, crystalline azure seas, crisp, cobalt pool waters... the shades of blue at Columbia Beach Resort paint a perfect Mediterranean portrait. Further to the iconic 2km-long, Blue Flag-certified Pissouri Bay, home to clean waters, sun loungers, and a professional water sports centre, the resort houses three swimming pools for our guests' relaxation and recreation.

Immerse yourselves in the cool waters of the 80-metre, lagoon-style pool meandering through the heart of the resort complete with swim-up bar, which flows at its top end into the covered embrace of our multi-award-winning Hébe Spa, and waterfalls down at its culmination into a shallow infant's pool, perfect for gentle splashing. A third pool resides to the east of the resort. Also serviced by an elegant swim-up bar, guests in search of livelier recreation relish the seclusion here.

Whilst all are underscored by space and comfort with unmatched amenities, each suite is adorned with unique, hand-picked furnishings and stylistic touches expressive of timeless island living. Grouped across Junior, Executive, Cape, Eagle's Nest, and Family categories, all manner of traveller is catered to according to their needs and desires.

COLUMBIA BEACH RESORT PISSOURI

In the Lap of Luxury

At their most basic, every suite is composed of a sleeping and seating area, expansive, marble bathroom with tub and/or walk-in shower, stylish kitchenette with Nespresso machine and mini fridge, and a private balcony or garden space, from which you can savour your morning coffee al fresco, feasting your eyes on our gardens, pools, or the sea.

Beds can be customised as Queen, King or Twin, and a pillow menu ensures absolute comfort. Daily maid service, a nightly turn-down service, and 24-hour room service envelop our guests in a cocoon of care befitting a five-star holiday.

Elemental Elegance

Measuring a generous 43m², our Junior Suites are ideal sanctuaries for travelling couples and small families, whilst those desiring of even more space may feel the thrall of our Executive Suites (which comfortably sleep 4 guests), or our one- and two-bedroom Family Suites, which are veritable havens: a true home away from home. Those seeking absolute peace and privacy will no doubt gravitate towards our Eagle Nest Suites, which are poised above the resort, overlooking the whole of Pissouri Bay, and come complete with private plunge pool. Meanwhile, to the east of the resort, lie our Cape Suites. At 60m², Cape Suites are adorned with two balconies, which allow guests to indulge in panoramic views of the coast.

Bacchus Restaurant

Italian Gourmet

At the heart of Columbia Beach Resort's culinary home is Bacchus Restaurant. Whether savouring a sumptuous breakfast spread in the morning or marvelling at the glamour of the restaurant's pool-front, moonlit setting by night, guests are invited on a journey of Italian gourmet discovery by our award-winning, Michelin-star trained Executive Chef, Polis Papageorgiou, who remains faithful to a simple refrain: dine well; live well.

Apollo Tavern

Food in Cyprus is so much more than mere sustenance. The Mediterranean romance of harvesting fresh, home-grown ingredients, exchanging recipes and secrets, cooking en masse, and sitting down together with 'kali orexi' to savour a family's labour of love is alive and well. The experience at Apollo Tavern is no different. Come lunch or dinner, savour the full plethora of the Cypriot palate with our indulgent meze of fish, meat and vegetable dishes, and dine al fresco under the stars in the inimitable warm and rustic environment of Apollo Tavern.

Flavours of Cyprus

Cape Aspro

Poised above the lapping shore of Pissouri Bay, the expansive terrace of Cape Aspro possesses an old-time charm and celebrates the simplicity of sunshine-soaked days, cool sea breezes, and the joys of island living. Named for the white cliffs (aspro meaning white in Greek) that embrace Pissouri Bay, Cape Aspro makes for the ultimate in al fresco dining with family and friends.

The Joys of Island Living

Armed with a reinvigorated MediterrAsian concept, Cape Aspro leads guests on an odyssey through fusion cuisine, and a relaxed ambiance befitting carefree holiday vibes. Also available at the east of the Resort are freshly baked oven pizzas and pastas.

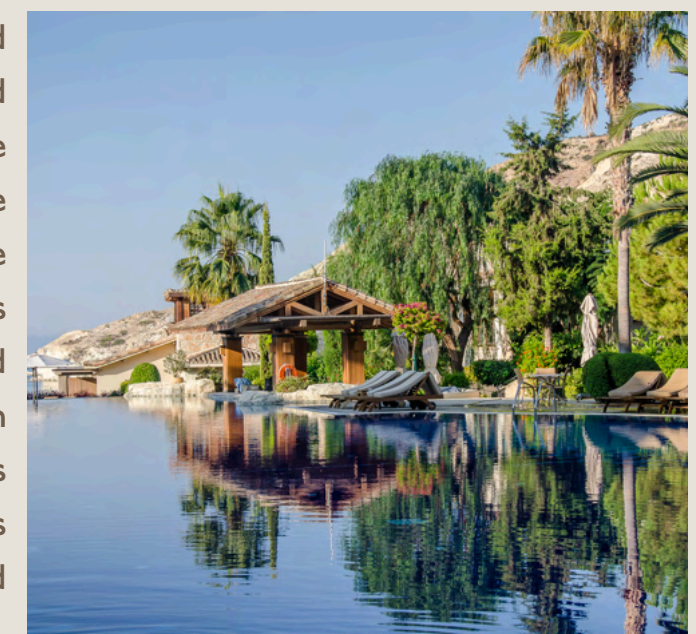

Excellence Bar None

A variety of bars embellish the Resort across both east and west wings. The nautical heritage of Columbia Beach Resort is evident in both the Eros Bar to the west, and Seven Cs to the east where fresh sushi is prepared live at the bar counter too. Calm spaces with expansive views of the Mediterranean Sea, both bars are ideal for sipping morning espressos or savouring pre-dinner cocktails and constitute coveted sanctuaries within the resort from dawn until dusk. Oenophiles may instead gravitate towards the intimate Ouzeri, adjacent to the Apollo Tavern, thanks to its enviable wine cellar, and soundtrack of live music.

Both of our outdoor pools are serviced by swim-up pool bars, so guests need not leave the pool to order their tipple of choice or lunch snacks, and for those lounging in the lush gardens or on the beach, Poseidon Beach Bar serves coffee, soft drinks, ice cream and snacks. Come the warmer months, on selected evenings, Street Eats offers bespoke, gourmet sharing dishes centred around the fire-pit centred BBQ, adjacent to the Beach Bar.

Spa Couture

Rekindle your life's light at our Hébe Spa: an award-winning space at the heart of our Resort. We know that the trials and tribulations of every day responsibilities can take their toll. Named for the Ancient Greek mythological goddess of youth, Hébe, Columbia Beach Resort's unique spa experience is balanced on individualisation of treatment and the universality of desire to feel fresh, freed, relieved and renewed. Our highly trained staff members utilise the very best of Elemis and Valmont products (including the innovative Elemis BIOTEC skincare system), as well as signature treatments using natural, local ingredients, to ensure that each guest's needs are met.

Intimate and invigorating, Hébe Spa's indoor pool (heated during the winter months), Jacuzzi, sauna, steam bath, and hair and nail studio all serve as a personalised space in which to rest and revive. In search of another kind of soul soaring? Our 2 squash courts, fully equipped gym, and fitness studio with regular schedule of fitness classes are sure to satiate your desire. With such variety, and dedicated professionals available to help you custom design your exclusive experience, Hébe Spa is the epitome of couture culture.

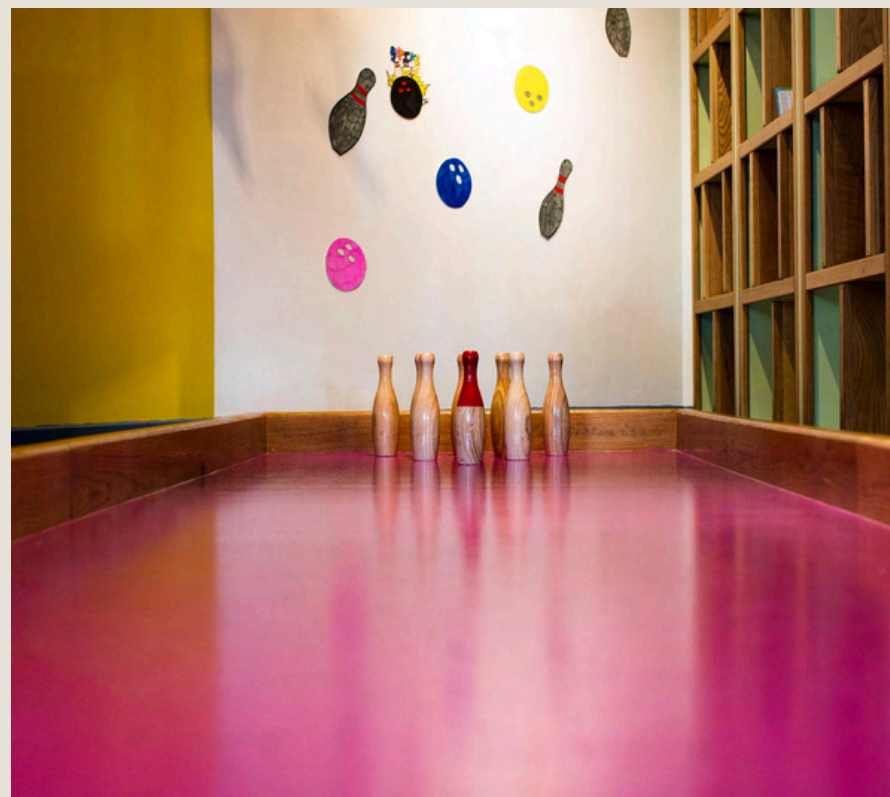

Sporting Fun

Dive into energy-driven entertaining at Columbia Beach Resort. Whether engaging in a tried and tested activity of choice, or trying your hand at something new, the Resort is home to an array of experiential avenues, including tennis and squash courts, fully equipped fitness centre, and a collaboration with a professional cycling centre run by two-time former Swiss cycling champion, Thomas Wegmueller. Rent a bike and take a tour of the surrounding hillsides and coastline in true Mediterranean style. Meanwhile, local watersports facilities provide numerous options, including adrenaline-fuelled windsurfing, laid-back pedaloos, and a collaboration with a PADI certified centre for adventurous scuba diving. Columbia Beach Resort also has the distinction of being ideally located nearby, and close collaborators of, the island's four championship golf courses.

Childhood Adventures

Experienced in welcoming travellers of all ages, Columbia Beach Resort knows all too well that the holiday desires of parents and guardians may differ significantly from those of their offspring. Where parents and guardians want rest and relaxation – lounging poolside with a page-turner in tow – children want independence and adventure. Our children's facilities provide just that: a place for little ones, aged 4 months to 12 years, to explore and experience. Revamped and revitalised, our children's club, The Den Kids Club, along with our dedicated creche for infants – Cub Life Creche – give our resort's young adventurers the opportunity to feel inspired, learn about their surroundings and local flora and fauna, discover new skills, produce souvenirs from arts and crafts endeavours, and create lasting friendships.

Making Memories

Metamorphosing a special occasion into a meaningful memory – a vivid work of art that may be recalled and replayed ad infinitum – requires both inspiration and perspiration. Whether imagining the powerful whisper of your, ‘I do’, envisioning an intimate christening celebration to honour the newest member of your family, planning a birthday bash, or desiring of an elegant setting in which to host a corporate conference, Columbia Beach Resort’s unique combination of world-class facilities, and personalised and professional guidance, ensures the creation of one-of-a-kind, standout events: moments in time memorialised for ever after. Nestled within our lush gardens, our All Saints Chapel is a standout addition that serves to enrich religious and spiritual occasions. Its dramatic, vibrant interior was painted by celebrated English artist, John Corbidge, and serves as the perfect backdrop for weddings, vow renewals, blessings and christenings. Meanwhile, with a host of corporate benefits, state-of-the-art audiovisual equipment and technical assistance, and dedicated coffee break, lunch and dinner menus, corporate events of up to 350 participants can be comfortably hosted in our Oval Ballroom, with smaller meetings of up to 20 delegates being conveniently brought to fruition in the Adonis Conference Room.
