SHAPE NEW TRADITIONS AT COLUMBIA BEACH RESORT

Traditions abound during the festive season, which are passed down from generation to generation in preserving a culture's identity, and the nostalgia-inducing Christmas spirit that comes alive every year. We have our own at Columbia, and very much look forward to sharing them with you this year.

A man of many names, did you know that Father Christmas is known in Cyprus as Saint Basil (Ayios Vasilis), and he traditionally comes bearing gifts on New Year's Eve, as opposed to Christmas Day? With his feast day falling on January 1, and his life long remembered and revered for his kindness and generosity to the sick and poor, Saint Basil has become the figure associated with gift giving in Cyprus.

Read on to find out when you can meet the man himself!
