## PERIOD WEDDING VENUE WITHOUT THE DRAMA

Congratulations on your engagement and welcome to Burnham Beeches.

Within these pages we hope to give you a flavour of how we can make your day as individual as you two are.

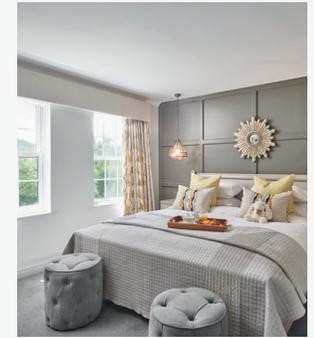

Of course, a visit will help you really get to know us and experience the character of Burnham Beeches. We'd love to show you around, so consider this an open invitation.

Whether you are planning a great big traditional event, a low-key coupling or a classically cultural celebration like a sangeet or a simple blessing, our space provides a glorious setting.

# A LITTLE BIT ABOUT US

Our 18th century Georgian Manor House is an architectural jewel in the Buckinghamshire countryside. An immaculate, grand setting to make your vows and confirm your love for each other - we'd be privileged to be part of your ceremony.

Built in 1727 and originally used by royal hunting parties from nearby Windsor, the magnificent house still enjoys ten acres of private grounds, within a protected nature reserve. Our outdoor pavilion is a truly special place to say 'I do'.

The indoor spaces are equally romantic, from intimate suites for you and your closest guests to an entire take-over of Burnham Beeches for a wedding with all the trimmings!

Whatever option reflects your style, you and your guests will be taken care of by our experienced and friendly hospitality team throughout your time with us.

Your wedding is a momentous occasion. We know you want every little detail to be perfect on the day.

We understand that you and your guests have high expectations. We're here to exceed them.
