CANCELLATION POLICY:

DALMENY HOTEL LONE TRAVELLER POLICY

The Dalmeny Hotel understands that every customer has different needs and we aim to make our hotel considerate of lone guests travelling often far from home which can create anxiety and stress. The hotel operates a lone guest awareness policy.

Here are a few of the safety measures we implement and adhere to:

- Wherever possible we will give single female travellers rooms that are not on the ground floor or at the end of a corridor.
- Offer escort service from hotel to the car park, especially at night.
- Provide well lit, onsite parking, with CCTV when circumstances permit.
- Never read out a guest's room number when checking in, just point to the room number on the registration card.
- Never give out a lone guest's name or room number
- Health & safety guidelines in place for staff, on non-harassment of lone guests

We endeavor to implement this policy on every occasion: however, this is subject to availability at the time of booking, force majeure and of the guest informing the Dalmeny Hotel that they wish this policy to be applied.

OUR ENVIRONMENTAL POLICY

We at the Dalmeny Resort Hotel feel we have a responsibility to minimise our impact on both the local and wider environment. Our environmental and sustainability policies guide how we do this. Today, we're focusing on areas where we can continue to make progress.

- Lowering energy consumption through more efficient lighting.
- Minimising waste and promoting recycling.
- Purchasing more efficiently.
- Travelling in a 'greener' way.
- Having plans in place to prevent pollution.
- And, looking to the future, we're ensuring that new developments are as green as possible.
