ABSOLUT FLAVOURS	£4.5

OUR PICK

BLACK COW

£5.2

Amazingly Black Cow is made entirely from the milk of grass grazed cows and nothing else.

The cow's milk is separated into curds and whey. The curds are used to make cheese whilst the whey is fermented into a beer using a special yeast that converts the milk sugar into alcohol. This milk beer is distilled and treated to a secret blending process. The vodka is then triple filtered and finished, before being hand bottled.

A remarkably smooth vodka with a unique creamy character.

BALVENIE CARIBBEAN CASK 14

£8.5

A 14-year-old Single Malt matured on traditional oak but finished in Casks previously home to mature Caribbean rum.

To create the ideal finish Malt Master David Stewart, filled American oak casks with his own blend of select West Indian rums. When he judged the casks to be ready, the rum was replaced with the 14-year-old spirit and the wood was put to work adding the final touches. An exceptional single malt of smooth, honeyed character married with notes of Toffee and fruit. A warm lingering finish.

Añejo tequila ages between 1 and 3 years before bottling. The time in the wooden barrel makes it darker while adding sweeter notes. Olmeca Altos ages for 12 months in small 200-litre ex-bourbon barrels.

A reposado is a tequila that ages between 60 and 364 days in oak barrels before bottling. This time gives the tequila that characteristic amber hue along oaky and sweet vanilla notes. Olmeca Altos Reposado ages for eight months in white oak casks previously used to mature bourbon whiskey.
