GAIA Awakening Journey

60 minutes | 90 minutes

An energising experience, helping to renew and radiate positivity for the mind and body. The Awakening Journey helps revitalise the skin with a salt and oil exfoliation, either on the back, neck, and shoulders (60 minutes) or full body scrub (90 minutes) removing dead skin cells to reveal refreshed soft skin. The Awakening Journey continues with a bespoke massage, tailored to suit your needs, to help awaken the body and boost circulation, leaving you feeling refreshed and uplifted.

GAIA Balancing Journey

60 minutes | 90 minutes

Find grounding and harmony with the Balancing Journey, a treatment designed to alleviate stress and bring equilibrium to the mind and body. The journey centers around a hot stone massage, using warm volcanic stones to soothe aches and pains, relieving muscle tension. The Balancing Journey continues with a nurturing Jade facial, known as the healing stone, the Jade crystal wands help to relieve tension in the muscles, encourage blood flow, and help eliminate fine lines. With a choice of 60-minute and 90-minute journeys, you'll leave feeling restored and emotionally balanced.

GAIA Calming Journey

60 minutes | 90 minutes

A truly tranquil experience, the Calming Journey has been developed to offer complete relaxation and peace within. Your journey will begin with a serene back, neck, and shoulder massage to ease muscle tension and calm the mind and body. This is followed by either a scalp massage (60 minutes) or an Indian head massage (90 minutes) which includes a facial cleanse, tone, and a beautifully relaxing facial massage, focusing on pressure points to relieve tension. Both journeys include a hand and arm massage, helping to release stress and find total relaxation.

RITUALS

Created to meet the varied needs of modern individuals using effective natural ingredients and highly skilled therapeutic techniques, a GAIA ritual truly is an unforgettable experience. Starting with a foot ritual and consultation, and ending with a Gaia tea, slip into a state of harmony with a bespoke ritual taking you to a state of total wellness.

Ocean GAIA Ritual

120 minutes

A deeply therapeutic ritual to release tension and stress bringing the mind and body into harmonious balance. Using advanced Balinese and Lomi Lomi techniques, originating from Hawaii, the body is exfoliated followed by an application of our nourishing GAIA mud. Once showered, a GAIA blend of your choice is poured warmly onto the body for a muscle easing massage.

GAIA Crystal Therapy
