Glenapp Castle Tea list

Single-origin, single-batch teas from the Lalani & Co Collection, direct from the gardens.

Assam

A classic, high quality Assam from the Chardwar Tea Estate, picked in the premium 2nd flush season (May/June). For those who like the full flavoured, full bodied, malty profile of a fine Assam:

Rich, rounded, malty.

Kenya Breakfast

For those who prefer a zingy, punchy morning tea, this high mountain Kenyan tea is from the volcanic soils of Kangaita Estate:

Zingy, bright, strong.

Darjeeling 2nd Flush 2020

A delicious Darjeeling from the family run Rohini garden. Picked in the 2nd season with the characteristic ‘muscatel’ character of a 2nd flush Darjeeling.

Floral and sweet opening, leading to a dry finish.

Kyoto Oolong 2019

Japanese oolongs are very unusual since Japan is mostly a green tea making country. This complex but approachable oolong comes from the Nakai family in Kyoto:

Fruity apricot opening, toasty biscuit finish.

Hunan Green 2020

An experimental and delicious green tea made from Chinese tea plants, bought to Darjeeling in India, grown on the High Mountain Terrain in the Hunan Provenance and made into green tea:

Sweet opening, floral notes, smooth finish a very refreshing light cup of tea.

Glenapp Castle Tea list

Chamomile (*Matricaria recutita*)

Naturally grown amongst the olive trees across the Cycladic island of Naxos, Greece. Our German chamomile (*Matricaria recutita*) is comb picked and dried by villagers using traditional methods during late spring.

Floral, grassy, earthy and mellow

Earl Grey.

A British classic and a royal favourite a celebrated black tea. Earl Grey takes its name from the eponymous

Floral aroma with slight sweet closing notes.

Lemon Verbena (*Aloysia citrodora*)

Our Great Taste award-winning whole leaf lemon verbena is naturally grown in the alpine areas of northern Naxos around Koronos village, approximately 700-800m above sea level and is handpicked and dried by the villagers using traditional methods. Recent research has gone into demonstrating the powerful anti-inflammatory effects of citral and for it to be a potential new antimicrobial agent that is not an antibiotic.

Grassy, herbal and refreshingly crisp lemon notes.

Peppermint

Hand Picked Peppermint Tea, This Freshly grown peppermint tisane has a nice spicy aroma and a strong minty taste to it with a nice refreshing finish. Perfect for after dinner.
