WINE LIST

We list what we taste and like, not in any way trying to be comprehensive. We do favour smaller and artisan winemakers.

Wine service in restaurants can be a bit elaborate. Not here. We offer you a taste to check the condition, pour a small glass for each diner and then we leave you to it.

The wines are grouped:

CORE: shining stars that offer value too.

CLASSIC: Mostly top end, but not exclusively.

Santé,

Shaun
