Fowey Hall unveils its new outdoor pool, enhanced spa and additional 24 rooms and suites

June 2023: Fowey Hall, a Victorian mansion overlooking the Fowey estuary has unveiled the results of an extensive refurbishment and expansion, establishing it as the Luxury Family Hotels collection flagship and one of the leading family hotels in Cornwall.

After a full property refurbishment in 2020, this latest phase of work included the addition of 24 new rooms and suites, a brand new outdoor pool with an unrivaled view and the enhancement of the existing spa to include a relaxation room and terrace.

Of the new rooms and suites that have been added, there are two worthy of a name drop - the Lantic Bay Suite and Polruan Suite. Sitting atop the renovated spa, these suites boast commanding sea views from private, elevated balconies. Inside, the rooms promise contemporary luxe interiors with a consciously 'quiet' approach to detailing that showcases bespoke local craftsmanship. As with all refurbishment design work across the Luxury Family Hotels' portfolio, the team at StudioJill have been the creative force.

A new outdoor pool with unrivaled views of the Fowey estuary and sea beyond has also been added to the property, making Fowey Hall one of the very few luxury hotels on the south Cornish coast to offer this facility.

The final area to be re-imagined has been the spa, which now features a relaxation room alongside the existing indoor swimming pool, both of which open out onto the new spa terrace. For the ultimate indulgence, a choice of Bramley and ishga spa treatments can be booked.

Fowey Hall is part of Luxury Family Hotels, a collection of five family-focused properties across southern England. From babies through to teens, expectant parents to grandparents and even dog owners, families of every genre are thoughtfully considered and catered for with an incredible range of amenities and facilities. From a milk butler service with the delivery of sterilised and heated bottles of milk and the provision of all the equipment parents could need, to a dedicated children's library and cinema with daily screenings, Fowey Hall encourages families to spend quality time together, safe in the knowledge that all the little things are taken care of.

Fowey Hall also offers 90 minutes of complimentary childcare per night's stay at their on-site Ofsted-registered Four Bears Den and a shaded outdoor play area in view of the hotel's terrace. The restaurant features sharing plates for the whole family and daily seafood specials on the evening a la carte menu. Elsewhere, you'll find the bar and terrace overlooking the sea as well as cosy lounges for evening cocktails once the children are tucked up in bed, watching a film in the cinema room or playing with friends in the games room.

The hotel is located just a few minutes walk away from the fishing port of Fowey, which boasts renowned restaurants such as North Street Kitchen, Fitzroy (from the team behind Primeur, Jolene and Western's Laundry) and Appleton's (from Andy Appleton, former head chef at Jamie Oliver's Fifteen Cornwall) alongside numerous art galleries and boutiques. 10 minutes walk away lies the sheltered cove of ReadyMoney, with sandy shores and calm, shallow waters complete with an anchored bathing platform in the summer months. The hotel will happily furnish families with buckets, spades and crabbing lines for a day spent at the beach.

Luxury Family Hotels acknowledge that families come in all different shapes and sizes, and for many, dogs are very much part of the fold. Every dog is greeted with a woof welcome pack and can also enjoy dishes from their 'a la bark' menu and Waggy Tails Tea Time (a canine afternoon tea)!
