See in the New Year in style with a contemporary take on the classic speakeasy and the beating heart of new lifestyle luxury hotel Middle Eight, glamorous hideaway QT throws open its doors with “QT Presents Leo Green”, a sultry, sexy, jazz-infused floor-filling party set starring music legend Leo Green.

Leo's shows play host to an array of ultra-talented musicians and singers - who have worked with everyone from Rita Ora to Aretha Franklin - as they put their own unique jazzy, bluesy, funky and soulful twist on some of the best loved songs of the last 30 or so years.

Says Leo, “As with all my shows, it's the songs that are the stars; these are the soundtracks that people love to hear and relate to. Bringing the classics to life at this superb new venue offers the perfect combination. After all, what could be better than watching and listening to a band and singers perform with a slice of jazz, whilst losing yourself in the glamour spot that is QT?
