Wine

It's important that you know that The Signet Collection is owned by wine lovers. In fact, they're more than wine lovers - they are from within the industry.

From the beginning it was clear: to showcase wine in a way that fits with Signet's value of creating daily moments. Little rituals and lasting memories are for every day, not just reserved for special occasions.

Our wine is specifically chosen to be a little different, a bit more special, and give you reason to pause for thought.

Talking about wine should be fun and is for everybody.

We want to excite you and inspire you; we want you to learn, we want you to question.

At any time of day, you'll be able to talk to somebody who understands wine, from our Wine Aficionados to our Sommeliers.

If you take a real shine to some of our cellar, the good news is that we are able to sell you our wines for your enjoyment at home.

That's why we train our team in wine as well as food, to offer advice.

Sans Sulfite Whites

Sulphites are used in small quantities to preserve wine. Lots of people believe that this can be the cause of hangovers, skin irritation and the feeling of being generally unwell the next day.

We have put together a small section of delicious Sans Sulfite wines that people can enjoy without having any adverse reactions... well I suppose it's also the amount one drinks.

White wine recommendations

Our white wine range goes far beyond pairing with fish, chicken or alfresco. We have a selection that works well all year round with an exceptional variety.

Celebrating?

Crozes-Hermitage Blanc Les Jalets is a fantastic wine and is ridiculously good value at **£64 a bottle**. If you wish to be a little more indulgent, the Rully 1er Cru Vauvry, Olivier Leflaive is great value at **£110 per bottle**. There is something special about a Premier Cru for a celebration.

Lunch with friends?

Try our **Albarino, Rias Baixas** at **£54 a bottle**. It's mineral finish will appeal to those who enjoy a flinty Chablis, and the complex finish will keep the Chardonnay fans happy. It's an educated choice and one that you'll want to share.

Romantic dinner for two?

Let **Craggy Range Sauvignon Blanc** at **£55 a bottle** do the talking. Bright, fruit-forward, and effortlessly elegant, it keeps the conversation flowing and adds a touch of charm to every bite. A feel good wine for a perfect evening.

Red wine recommendations

At Signet, our red wine selection has been carefully chosen to offer a variety of styles, from light and fruit-driven to rich and full-bodied, there is a perfect glass or bottle to complement every dish and every occasion.

Celebrating with friends? Why not a magnum?

From one of Rioja's best - **Rioja Alta's Alberdi Reserva at £133 a magnum** is sublime and ticks every box. It works with or without food and has a beautiful length on the finish. A perfect wine to enjoy with friends and in magnum form, it keeps the evening flowing.

Lunch with friends?

Fleurie is a favourite for me at **£65 a bottle**. Whilst a lot of people think a lighter Pinot Noir might be more appropriate for lunch ; This delicious Beaujolais is medium in body with a fresh, vibrant and juicy edge to it. It pairs really well with pretty much anything on the menu.

Romantic dinner for two?

The **2020 Grande Reserve Château Oumisyat at £62 a bottle**, Lebanon is a really special wine and one to enjoy with your loved one. The new categories on our wine list, the 'Explorer White & Red', give our guests an opportunity to try something new and something they might not see on other wine lists. A really concentrated and structured wine, this brilliant alternative to a high end Bordeaux ticks every box.

Bigger Is Better

Because sometimes one bottle just isn't enough. Our Magnums are made for sharing, though we won't judge if you don't - Twice the wine means twice the laughter.
