

# Petiquette

Everyone is welcome at The Montagu Arms, including your four-legged friends. Our spacious gardens and the stunning Hampshire countryside make the hotel perfect for everything you, and your furry friend, need for an incredible pet getaway.

We respectfully ask that your dog be house-trained and that you take full responsibility for their behaviour throughout their stay.

In order to ensure that you, your pet and your fellow guests have the most enjoyable stay, we would appreciate you taking note of the following guidelines:

- Pets are welcome throughout the hotel public areas, our gardens and Monty's, but not the Terrace Restaurant.
- Please keep your pet on a lead and clean up after them in the gardens. A dog waste facility is located just outside the gardeners' greenhouse, in the courtyard garden and on the decking.
- Whilst your pet is in your room, Housekeeping will only access the room whilst pet owners are present. Please call Reception and let them know a convenient time to service your room.
- Please specify the breed of your pet, this will help us to provide the correct size bed to ensure a comfortable night.
- A one-off £30 charge per dog, per reservation, will be charged to your account for stays of up to 3 days. This includes a dog hamper in the bedroom on arrival alongside a dog bed to use. The hamper can be taken home, however the dog bed is to be returned to us. Should you wish to purchase the bed to take home, you may do so at a charge of £100.
- Any damage to property or noise disruption to other guests caused by your pet within the rooms or gardens is your responsibility and you will be charged for any such damage. An additional night's room charge will be applied should deep cleaning of your room be necessary.
