

Welcome

The city of Bath has long been associated with the healing powers of its thermal waters, which is why the spa at Homewood is firmly focused on relaxation of mind and body.

GAIA is the ancient goddess of nature “Mother Earth” and Mother GAIA is a healing Goddess. It’s believed that true wellness requires us to return to the cradle of mother nature and live in accordance with natural laws, but in modern times this has become increasingly difficult. The desire to look after yourself can take many forms with fitness being a key ingredient to your wellness naturally. It is about movement whether that is slow or fast paced, maintaining balance.

GAIA believes in nurturing yourself and is about total wellness. GAIA provides the time and the space to focus on your wellness, naturally..

To be found within our historic country house hotel, our elegant spa features an outdoor heated pool, indoor hydrotherapy pool, steam room, sauna and three individually-designed treatment rooms, including our Shepherd’s Hut offering breathtaking views of the valley.
