The Signature Collection

THE RECHARGER

60 mins

Recharge your energy and melt away stress with this rejuvenating body and facial experience. After a brief consultation, your therapist begins with a soothing welcome touch massage to ease tension and promote relaxation using your chosen aromatherapy oil.

The treatment continues with an express facial tailored to your skin type — including cleansing, exfoliation, a face massage, and a hydrating mask accompanied by a neck and head massage. Finished with serum and moisturiser, this treatment leaves your skin glowing and your body deeply relaxed.

MELT AWAY

60 mins

Sink into pure serenity with our take on the timeless hot stone massage. Heated basalt stones glide across the skin, radiating warmth deep into the muscles to release tightness and tension.

The gentle rhythm of the stones combined with Bramley's soothing oils promotes deep relaxation, grounding the body and clearing the mind — the ultimate antidote to a busy week.

HEAD START

45 mins

Let your thoughts drift away with this deeply calming scalp, neck, and shoulder treatment.

Designed to dissolve everyday stress and bring clarity to the mind, this massage focuses on pressure points that release built-up tension. Bramley's uplifting rosemary and lemon essential oils refresh and restore — perfect for anyone seeking a mindful moment of stillness.

THE GLOW UP

45 mins

Smooth, brighten, and awaken your skin with this invigorating full-body exfoliation. Using Bramley's gentle sugar and salt scrub, your therapist buffs away dullness to reveal a luminous, silky finish. Followed by a nourishing layer of hydrating body oil, your skin will feel supple, radiant, and ready for anything — like sunshine bottled.

SERENITY RITUAL

60 mins

This deeply soothing treatment brings together mindful touch, slow massage, and Bramley's calming essential oils to relax both body and soul. Gentle, flowing movements melt away tension, while soft aromatherapy blends create a sense of deep stillness. Designed to nurture even the most sensitive bodies — including those living with disabilities or undergoing cancer treatment — it delivers complete serenity from head to toe: a full-body sigh of relief.

Bramley Treatments

BRAMLEY BESPOKE FACIAL

60 mins

A bespoke facial designed to bring your natural glow back to life. Using Bramley’s nourishing botanical products, your therapist tailors each step to your skin’s needs — from gentle cleansing to hydrating massage and mask therapy.

The treatment rebalances and revives dull, tired skin, leaving your complexion soft, dewy, and radiant — the very definition of English countryside glow.

APPLE AHA RENEWAL

60 mins

A results-driven facial powered by nature’s fruit acids. Natural apple-derived AHAs gently exfoliate and resurface, smoothing texture and revealing brighter, healthier skin beneath.

Combined with Bramley’s antioxidant-rich serums, this treatment boosts radiance and restores vitality for an instant “just-back-from-holiday” complexion.

ROSE QUARTZ RADIANCE

60 mins

A facial ritual that nurtures, restores, and uplifts. Soothing rose quartz crystals are used in slow, cooling strokes to calm inflammation and awaken inner balance. Bramley’s probiotic-infused products strengthen the skin’s barrier, while the gentle massage leaves you feeling centred, glowing, and renewed from within.

BRAMLEY SELENITE CRYSTAL MASSAGE

Infused with Bramley’s grounding oils, this treatment leaves you lighter, clearer, and glowing with positive energy.

BRAMLEY MOTHER-TO-BE

60 mins

A gentle, nurturing treatment created especially for expectant mothers. Your therapist uses slow, soothing movements to ease muscle tension, improve circulation, and promote deep relaxation.

Bramley’s pregnancy-safe oils nourish the skin, while calming aromatherapy brings peace and comfort for both mother and baby.

60 mins

Choose from: Back, neck shoulder and scalp
OR Full body massage

Allow yourself a moment of serenity with this deeply relaxing massage tailored entirely to your needs, leaving you feeling grounded and calm. Allow your senses to be soothed, your muscles warmed, and your body relaxed.

PROBIOTIC BACK TREATMENT

60 mins

Give your back the care it deserves. This targeted “facial for the back” combines gentle exfoliation, a detoxifying mask, and therapeutic massage to cleanse, smooth, and refresh the skin.
