THE CONCEPT

*M*auritius Island offers a culinary inspiring journey with tantalising dishes originate from a solid foundation of the cosmopolitan cultural influence dated from the ancient times of colonisation.

The Mauritian creole cuisine influence is oriented around seafood, spices, farm meat and locally grown vegetables which has remained the trade mark behind every creation of each recipe.

The cuisine range has an influence from European, Indian, Asian and African style of cuisines. A medley of flavours leaving memorable tasting notes.

We have handpicked a selection of restaurants around the vicinity offering authentic Mauritian cuisine, each carrying their signatures dishes of the house. The selected venues also offer nearby panoramic scenery around. Culinary explorers will love the adventure of experiencing the local flavours. From fresh caught lobsters to Mauritian fine dining cuisine creation, all dishes propose, tantalise the palate.

The selected restaurants are based on pure reputation and feedback to the best of our knowledge and at your entire discretions to select any venues of your choice.

Hereunder the most comfortable style to book the local restaurants through us

- Our trained concierge and reception team will provide full guidance and orientation on the restaurant selected
- À la carte menu of selected restaurant is shared upfront to enable full visibility and recommendation
- Handle and confirm your restaurant reservation
- Organise your transfer from the Resort to the selected restaurant venue

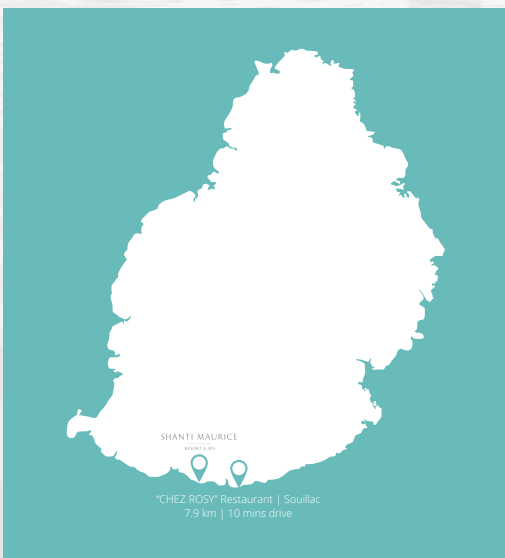

Please do not hesitate to contact our team who shall happily assist you.

“CHEZ ROSY” Restaurant

‘The avenue’ for fresh Lobster! There is no better place on the island than to taste fresh lobster cooked by Mrs. Rosy who run this restaurant for more than two decades.

The lobster curry is simply divine and must try. Few steps away is the magnificent scenery of Gris-Gris beach with giant cliffs.
