- **The beach at your toes** - close to the sea as nowhere else in Mauritius
- **Calm beachfront experience** as motorized water sport is prohibited in the exotic protected lagoon
- **Beach nap** - A quiet relaxed and nearly private set beach in front of your suite - far away from over-crowded beaches in Mauritius
- **Panoramic sea view** over the lagoon of St Felix, its reef and the wide-open Indian Ocean
- **Authentic** and natural beach with different sea-and shorefront characters spread over 800m
- **Photogenic Sunset** view at its best
- **Reserved private sunbed sand kiosk** in the sand in front of the suite with no other sunbed located in front or side of the unit for maximum privacy
- **Unique beach indoor-outdoor lifestyle** with seamless and undisturbed private connection from the sea, beach, sunbed, terrace and suite creating a private "my-beach" feeling
- **Access door to the beach** (seaside) and to pathway (garden side)
- **Spacious and sheltered private sea view terrace** with natural shade, rolling blinds, dining table and sunbed
- **Unrivalled wake up experience with sea view** from your with 2x2m Master-King-Size bed with different bedding options
- **"My view"** program - choose at booking time your favourite view and unit of all of our suites and villas with our interactive live view Resort map
