

SHANTI MAURICE

RESORT & SPA

SHANTI SEVA

ENVIRONMENT SHANTI MAURICE INITIATION TOWARDS RESPONSIBLE HOSPITALITY INCLUDES

1. 100% single-use plastic-free Resort
2. We give away refillable aluminum water bottles to all staff and guests.
3. Coral Reef St Felix - Intensive program with Mauritius "Reef Conservation" to protect and develop the coral reef and shore lands at our estate (Training programs for our teams, developments of guest experiences, and guides)
4. Water Management System in place (production of in-house potable water, recycling of water off our STPs for irrigation purposes, bedding and linen change policy, etc)
5. Non-motorised water sports are only entertained in our lagoon
6. Energy saving - pool heating pumps on energy-friendly system/energy bulbs
7. "Pick It - Bin It" campaign
8. Waste segmentation at the back area
9. Zero food waste in the canteen
10. Cleaning campaign (beach) in partnership with Angel Special School
11. Rain harvesting
12. Compost
13. Extension of the herbs garden beds - Homegrown salad
