MONTHLY SUPPORT TO NEARBY ANGEL SPECIAL SCHOOL FOR CHILDREN WITH SPECIAL NEEDS

On August 27, 2019, 'Shanti Maurice CSR Trust' gathered to mark our CSR initiative, which took place at "Angel Special School & Welfare Association" located at Chemin-Grehier. Founded in 2009, this school now reckons at least 45 children from 5 to 35 years old plus a dedicated team of 8 teachers, 2 carers,

Physiotherapists, speech therapists, and occupational therapists.

Our core initiative to assist the school is focused mainly on 'Literacy'. Our engagement and response have aided vulnerable and underserved individuals such as orphans, the physically or mentally challenged, among others.

Every month, our team from Shanti Maurice Resort & Spa ensures that the kids are being offered a wide range of delicacies and/or a sumptuous & light meal delivered at the doorstep of the school.

Monthly birthdays celebrated by the HR Team and Employee Welfare Committee.
