et le Clair Dieu parait de traverser
l'air en un Dieu Autre Père.
L'expérience de ce service de soins y
présente un niveau de conscience
et d'énergie dans les sessions
de soins réflexifs, avec leur action
triple axiale: corps, esprit et âme.

I am here to share myself from.....
The causes of my disease or my discomfort
will be revealed to me while I am here.
I ask the Beings of Light to assist me so that
I can at last be on the right path, the one of healing
release and forgiveness. Please empower
me with healing energy.
I thank God my Father and the Beings
of Light for helping me.
Amen

Place note that you may experience some physical discomfort
such as dizziness, the sensation of being illuminated, lightness or the
weight of the challenges, to which being aware of mind, the thought
patterns may come back to be cleared out and some you will
healing such as healing, the or conditions. They will not be for long
This work is intended only as a guide for understanding your
disease, discomfort or condition.

Thank you for taking great care of this place.
