#### **4 MONTHS – 2 YEARS 11 MONTHS**

Shanti Kids Club prioritize effective communication with parents when caring for our young guests. Our experienced team understands the importance of maintaining the child’s daily routine and strives to follow it as closely as possible to ensure their happiness and comfort.

To provide ample individual attention and security, we maintain low nanny-to-child ratios, with only two children under 3 years old per nanny. This ensures that each child receives personalized care and supervision while they engage in play and exploration.

We tailor the day’s activities according to the climate and weather condition to avoid children being exposed to the sun during the hottest hour of the day (12:00 to 15:00).

The children can settle down for their nap times in specially designed sleep room with cots set apart.

At Shanti Maurice Resort and Spa we freshly prepared onsite on a daily basis delicious, fresh purees suited to the child’s tastes and preferences.

During club hours, we provide nappies and wipes to ensure the children’s hygiene and comfort are maintained throughout their time with us.
