

# Skeabost

A SONAS HOTEL

## Welcome to our restaurant.

Skeabost House was built in 1871 and established as a hotel many years ago. Wonderful sunsets can be seen in the western skies, and on clear, dark nights, an array of stars and planets are visible against a velvety backdrop. This makes it the perfect location for a bite of lunch with friends, and the soft lighting of the restaurant a romantic space for evening dining. Our aim will always be to ensure that whatever the occasion, it will be a meal to remember.

We wish you an enjoyable Dining experience!
