The Hotspot Fire Engine Bar is an original 1960s Bedford TK Fire Engine that has been converted into a unique, private, state of the art cocktail bar in County Durham.

Looking for a birthday party venue? A big bunch of you fancy eating out but need a private space? Or maybe you want to bag a cool Christmas Party Venue to make your annual office bash a little more fun? Well, the Hotspot Cocktail Bar is the most quirky, fun, and exciting spot for your occasion, whatever it may be.

MUSIC

The Hotspot Bar has built in high-tech surround-sound speakers. You are more than welcome to create your own playlist on Spotify, which we can play from the speakers at your event or you can use South Causey Inn's own recommended playlist.

You may decide to add some live entertainment to your event... Acoustic singers are always a great addition..

When organising entertainment for your event, we kindly ask that you to take into consideration the hotel bedrooms that are close by to the Hotspot Bar, and that a respectable music volume level is played. Please note the Hotspot Bar is unable to accommodate DJ's/Karaoke.

Noise limiters are in use and we have the rights to turn music down or off as required.

ADVISED DRESS CODE

We urge guests to dress according to the weather, the Hotspot Bar has undercover seating with heaters, however with our unpredictable Northern weather, it is always best to wrap up just in case! Throws and hot water bottles will be available for all guests on request.

MINIMUM SPEND

When booking a private event at the Hotspot Bar, we require a minimum spend of £500 on food and drink. We kindly ask that this is paid in full two weeks prior to your event.

What if more than £500 is taken at the bar?

At the end of the event, we will provide you with a bar till receipt, and as long as the bar has taken over £500, you will be refunded the £500 which you paid on booking. (please note, this may take 3 to 5 working days to appear in your bank)

Example

The end of the events bar takings are £700, the minimum spend was £500 - you will be refunded £500.

What if less than £500 is taken at the bar?

At the end of the event, we will provide you with the bar till receipt and then we will refund you the difference between the minimum total spend and the actual total taken at the event.

Example

The end of the events bar takings are £300, the minimum spend £500 - we will retain £200 and you will be refunded £300.
