Wedding

Storrs Hall's elegant Georgian mansion sits in glorious seclusion on the shores of Lake Windermere. Its 17 acres of grounds, and selection of licensed ceremony locations, will provide the backdrop of your dreams. There's nothing else quite like it.

Whether that's an elopement, Just For Two, because neither of you can wait to be married; or a one - even two day - Exclusive Use because you want every family member and friend there to celebrate with you on your big day! We have the space and the perfect place.

From the characterful Boathouse with its unique lakeside terrace; the pretty filigree garden Pavilion, and the South Lawn for outdoor ceremonies; to our elegant Grade II* listed interiors, with their spacious proportions, period features, and huge lake views from the windows.

Storrs is equally generous with its photo opportunities – all that lake view backdrop, (England's largest lake no less), our own jetty, the idiosyncratic monument that is the National Trust's Temple of Heroes, sitting off our garden's furthest point, providing 180° views for miles along the lake. Easily matched by our sweeping staircase and light dappled rotunda and gallery.

Your day will be unforgettable.

WEDDING BREAKFAST

We match every aspect of your wedding to your dreams, and we're here to help you achieve that – tell us about your foodie loves and ideas and we'll work with you. Making the food for your special celebration perfect for you and your guests.

From your pre-wedding dinner to the big reception itself, we can make your meal really special. We have menu ideas up our sleeve already, working with the best of local suppliers, but Storrs' secluded and private location with those huge lake views brings something extra to the party.

We have our Storrs Hall Citroen Van as an outside catering point and bar, throw your special requests at us and we'll see what we can do. Nibbles and Champagne as the sun sets over the lake as a backdrop to your last evening before you get wed.

Dinner the evening before the big day is an opportunity to be a bit more relaxed and playful; breakfasts are generous with a great choice of dishes from sweet pastries to a Full English, ask for Bloody Marys if you think you'll need them.

The big day's main meal is about speeches, and friends and family meeting up and catching up. You're not here to talk about the food, it's about you and all the people you love, making this day one you'll remember forever – we'll provide the delicious touch that enhances your day.

Talk to us... we're here to make your day perfect.
