Great food and drinks is a big focus of ours. Everything is seasonal and homemade, with a yards-not-miles mindset taken to sourcing the best ingredients and produce possible. That starts right here on our 700-acre farm where Harry looks after the lambs, Lloyd generates the greens, and Ed and Will watch over the pigs. Where we need a bit more or something a bit different, we work with makers and creators who supply the best of British and always have an interesting tale to tell.
