COWSHED PHILOSOPHY

Great food and drinks is a big focus of ours. Everything is seasonal and homemade, with a yards-not-miles mindset taken to sourcing the best ingredients and produce possible. That starts right here on our 700-acre farm where Harry looks after the lambs, Lloyd generates the greens, and Ed and Will watch over the pigs. Where we need a bit more or something a bit different, we work with makers and creators who supply the best of British and always have an interesting tale to tell.

Should you have any allergies, food intolerances or dietary requirements, please inform your server. Allergen information available upon request.
