The Grounds

With 1,400 acres of beautiful Yorkshire Dales countryside and magnificent views, those picture-perfect moments are guaranteed.

"We have many happy memories at The Coniston hotel. We spent our engagement day there and then decided two years later to hold our wedding there.

The best decision we have made, the whole day was perfect, the venue looked stunning. The food and drink was outstanding, staff were friendly and courteous. We couldn't have asked for a better day (well apart from less rain!) but even with the rain we were still smiling.

A special shout out to Katie our wedding coordinator who on the day kept us both calm and in the loop with everything going on. We wouldn't have changed a single thing we literally loved every minute of it.

Thank you to everyone for making our day so special!"
