Drake & Macefield are Craven's oldest family butchers, founded in 1898 on Skipton's Otley Street and still proudly family-run today. They work hand in hand with local farmers, think grass-fed herds from the estate farms. Their meat is carefully hung for a real depth of flavour. They share our family values and we're proud to partner with them.

Shooting is part of our family story. Days on the moor, fields and in the woods have shaped the estate for generations. The game on the menus comes from our own country shoots the birds taken from the land around us. After a days shoot, Oxclose Fine Foods prepare them for our kitchen.
