SPECIAL OCCASION

Are you celebrating a special occasion? Speak to our team today about the little extras we can do to make your occasion extra special.

FOOD ALLERGIES and INTOLERANCES

Our allergen information is available from our team on request and specifies allergens present by dish, and, also identifies potential allergen risk as a result of cross contamination. Although we separate ingredients and clean down all work areas and equipment, the presence of allergenic ingredients in our kitchen means we cannot guarantee any of our dishes are 100 % free of those ingredients.
