Bacchus

WINERY: Woodchester Valley

GRAPE VARIETY: Bacchus

REGION: *South Cotswolds, England*

£38.00

#### *Notes...*

A quintessential representation of the varietal style with both early and late harvested fruit. Aromatic yet dry, this wine offers complex flavours of **zesty citrus, gooseberry, subtle lychee and pineapple with a distinctive elderflower aroma.** The finish is mouth-watering and incredibly refreshing. Perfect with seafood!

#### *The geeky stuff...*

Planted on the limestone soils of the Cotswolds Area of Outstanding Natural Beauty, **Woodchester Valley** is a family- owned vineyard and winery established by **Fiona Shiner** in 2007 when she planted an acre of vines at her home in Amberley.

The estate has now grown to 45 acres across three sites within the **Stroud Valleys** and produces a range of award-winning wines, most of which are **vegan-friendly** like this Bacchus.

*Winemaker Jeremy Mount's experience includes time in Chablis, Napa Valley & Marlborough.*

Dão Branco, Prunus

WINERY: Gota

GRAPE VARIETY: 50% Encruzado,  
15% Cerceal Branco, 15% Malvasia Fina  
and 15% Bical

REGION: *Silgueiros, Portugal*

£34.00

### *Notes...*

Well-rounded and harmonious, with notes of tinned **peaches** and **fresh herbs**, a fresh, juicy palate and a long, mouthwatering finish.

### *The geeky stuff...*

The Dão river valley lays in the **Silgueiros** region which has been settled for 4000 years. Traces left by the Romans and Moors show that the wine was produced there long before Christ. Dão is one of Portugal's best-known and most prestigious appellations, having been formally set up in 1908.

*The grapes are hand-picked by families and neighbours, then blended to make an enchanting wine.*

Centovie, Pecorino

WINERY: Umani Ronchi

GRAPE VARIETY: Pecorino (100%)

REGION: *Roseto Degli Abruzzi, Italy*

  
UMANI RONCHI

£58.00

#### *Notes...*

This wine displays **ripe lemon** fruit with **white flowers** and herbs, the palate **crisp** and refreshing with a **long finish**.

#### *The geeky stuff...*

In the last years our **Roseto degli Abruzzi estate**, with mainly **Montepulciano vineyards** and a small part of **Pecorino**, has enriched the quality and tipicity of the grapes. Since the first harvest in this area we decide to cultivate the vineyards following the organic methods because we thought that the position, soil and climate were perfect for this kind of farming. In this area, the **Centovie village** from where we overlooked the estate for the first time in 2000, was born our Pecorino. A wine where, in our opinion, you can find all the elements of this amazing estate between the **Gran Sasso** mountain and the **Adriatic coast**.

*Italy's north-eastern corner is home to its greatest concentration of fine white wines.*

### *The geeky stuff...*

Just **10 kilometres from the Italian border**, in the viticultural paradise of **Gorizia**, 400 Slovenian families work together to make the **Quercus** wines. Vines have been cultivated here since before the time of the Romans and today they produce **charming** and **great value** examples of the same grape varieties on the other side of the border.

The **Eschenhof Holzer winery** is located in Großriedenthal, in the **Wagram** wine region. Cowslip Valley Riesling

REGION: Cowslip Valley, Waihopai  
Valley, Marlborough, NZ

£50.00

#### *Notes...*

Aromas of lime and stone fruit with a touch of **Granny Smith apple** and **floral citrus notes**. Fleshy and **rich** with a nervy drive, through to the botrytis bite on the **dry** finish. **Lime, lemon** and **floral orange notes**. Rich, **complex** and concentrated.

#### *The geeky stuff...*

In 1910, at 14 years old, **Josip Babich** emigrated from Dalmatia (part of modern day Croatia) to join his three brothers, who were digging and selling Kauri gum in New Zealand's far north. In 1911, the brothers put a deposit on land in Henderson Valley (West Auckland), which became the family homestead and winery. A year later, Josip planted his first vineyard on a terrace above the Kaikino Swamp gum field. Aged 20, in 1916 he made his first wine, under the name **Babich Brothers**. He quickly gained respect by having the desire to produce only the best quality wine, creating solid foundations for the company. Today, three generations of the family are committed to honouring his legacy.

*In the early decades of the New Zealand wine industry, flagons were the standard way to bottle wine.*

*Notes...*

This **single-vineyard Nebbiolo** offers an **elegant nose** with hints of **raspberries** and **roses**. On the palate, it is **full** and **harmonious** with a long, positive finish.

**Alfredo Prunotto** founded his business in **1922**, and was one of Piemonte's most dynamic exporters until his retirement in 1956. The company passed then to Prunotto's friend **Beppe Colla**, now a revered winemaker and one of the founding fathers of modern **Piemonte**. His defining moment was the decision in 1961 to bottle **single-vineyard**, or **cru**, **wines** from the finest sites—a practice that is now the norm in the region. **The Marchesi Antinori** family first began its collaboration with the Prunotto Company, at first handling distribution, in 1989, and later, in 1994, when the Beppe retired, became directly involved in the production.
