

It's Personal

WE KNOW YOU'LL LOVE IT,
AS MUCH AS WE DO

WELCOME TO THE POST

FROM THE FAMILY

Just a short stroll from Donnington Valley Hotel, nestled just outside of Newbury in the heart of the West Berkshire countryside, with beautiful views and over 120 acres of rolling hills and just one hour from London, the stage is set to host and tailor your special occasion to your vision, whatever the reason or season.

Our vision for The Post was to create a spectacular Wedding and Events space combining the traditional hand-crafted character of a barn with contemporary architectural design, quality and technology.

We used local suppliers throughout the build; to ensure that The Post is as sustainable as possible; and they surpassed our expectations – and we hope that you love it as much as we do!
