

WHERE THE SEASON GLOWS

FESTIVE 2025 - 2026

VILLA PARK
SUN ISLAND

STEP INTO THE FESTIVE GLOW

This festive season, Villa Park lights up in living color. Drums carry on the breeze, lanterns line the shore, and the lagoon catches the last gold of the day. Afternoons feel bright and playful, with laughter under the palms and easy smiles everywhere you look. Evenings arrive softly, then bloom into music, beachfront feasts, and moments that shimmer in candlelight. Families find joy in the rhythm. Couples discover quiet corners that feel made just for two. Friends share stories with toes in the sand and stars overhead. Welcome to a holiday that sparkles from sunrise to midnight.

FESTIVE GREETINGS

Welcome to Villa Park. This festive season the island lights up in color and warmth. Picture lanterns along the beach, drums on the breeze, and the lagoon catching the last gold of the day. From the first sparkle at breakfast to music beneath a sky of stars, every moment feels bright and easy.

Celebrate in living color. Join playful gatherings on the sand, taste dinners that shimmer by the water, and find little surprises tucked between palm trees and pathways. Families will love the lively rhythm and kid-friendly fun. Couples will discover quiet corners and romantic tables. Friends can follow the beat from sundowners to starlight.

Come ready to make memories that glow. Your table is waiting, the music is warming up, and the shore is set for a season of joy. Step in, smile, and let the island carry you. The glow is all around.

With warmest regards,

FESTIVE HIGHLIGHTS FOR LITTLE ONES

This festive season feels extra bright at Park Players. From the moment little ones step in, they are greeted by friendly hosts, twinkling decorations, and a space that invites imagination. It is a happy place to make friends, try new things, and feel the magic of the holidays all around.

Days flow with hands-on fun and gentle structure. Children paint and craft glittering keepsakes, race along the beach in mini challenges, and settle in for storytime or a cosy movie when they need a quiet pause. Sweet moments appear often, like simple cookie decorating and surprise visits that turn into photo-ready memories. In the evening, dress-up parades and our Little Stars moments bring proud smiles and applause.

Parents can drop in for a single activity or let the kids stay for a full afternoon. Groups are kept small, the pace is playful, and the care is thoughtful so every child feels safe, included, and excited to come back tomorrow. If you have any special requests, tell us.
